

Foremost a Farmers Insurance Co. offers several discounts for auto insurance policyholders. The Auto Policy Plus discount allows customers to save on their auto insurance by adding a home policy, providing the convenience of a single contact number for all insurance needs. Additionally, policyholders with a life policy, including annuities or individual life, disability, or long-term care policies for themselves or their partners, can also receive savings on their auto insurance. The Defensive Driver Discount is available to those who voluntarily complete a state-approved motor vehicle accident prevention course, with proof of completion required. Discounts related to safety features include the Safety Device Discount for vehicles with factory-installed safety systems like airbags and antilock brakes, and the Anti-theft Device Discount for vehicles equipped with automatic or manual disabling systems. Lastly, the Good Student Discount rewards high school and full-time college students who maintain a "B" average or better, a 3.0 average in a 4-point system, or are recognized on a "Dean's List" or "Honor Roll." For specific eligibility and details regarding these discounts, customers are encouraged to consult their MetLife Auto & Home representative, Independent Agent, or Customer Service Department.
