

The endorsement titled "Waiver of Subrogation Against the United States of America" is an integral part of the insurance policy, maintaining all other provisions of the policy unchanged. It stipulates that the insurer waives its right of subrogation against the United States or any of its departments or agencies for any payments made under the policy. This waiver applies only to the extent that the policyholder has relinquished their legal right to seek recovery from the United States or its agencies through a written contract executed prior to the incident or loss.
