

Employees are eligible for auto insurance discounts through Farmers GroupSelect, which offers a range of coverage options and benefits. Key features include special group discounts, automated payment options, claim-free driving rewards, enhanced rental car damage coverage, no deductible repairs for certain windshield damage, roadside assistance, guaranteed auto repairs for covered losses, and ID protection services (not available in NC or NH for auto customers). By purchasing multiple policies, such as auto and home insurance, employees can save even more, with average savings reported at \$751. The program also includes options for RV, renter's, motorcycle, and boat insurance. Discounts available include automatic payment discounts, good driving rewards, loyalty discounts, multi-policy discounts, and multi-vehicle savings. Coverage, rates, and policy features may vary by state and product, and employees can apply for insurance at any time by calling 800-438-6381 or visiting the provided website.
