

The document outlines important changes to your State Farm® Car Policy 9849C, specifically through Amendatory Endorsement 2949C. Effective August 15, 2024, changes that enhance coverage without additional premium will take effect, while other modifications will apply upon your first renewal after this date. Notably, under Physical Damage Coverages, there will be no deductible for windshield glass repairs, and an additional option for reasonable repair costs and labor rates has been introduced. Furthermore, Item 1.a.(4) has been removed from the policy. For further details, policyholders can access their policy booklet and endorsements online at statefarm.com/policy-library or request a free paper copy from their agent. It is important to note that this notice serves as a general summary of changes and does not alter the provisions, terms, or conditions of the original policy documents.
